

You just found out that two teenagers you know well are thinking about having sex for the first time.

- What questions would you ask them?
- What would you tell them about HIV/AIDS?

Your good friend, David, just told you he has HIV. You are also good friends with his partner, Michael.

- What questions would you ask David?
- What suggestions would you have for him?

Your sister just became pregnant. She used to suffer from addiction to injection drugs. She does not know the HIV status of the baby's father.

- What questions would you ask her?
- What would you tell her about HIV/AIDS?

You want to talk to your church's youth group about HIV prevention, but your pastor, Doris, has concerns.

- What would you say to convince Doris this is a good idea?
- What would you talk about with your church's youth group?
