Have you consulted with anyone in the IRO about this research? Who and when? No

Use this application for non-interventional research (e.g., no intent to change the participant) that involves any interactions with participants.

Would you like this research to be considered for either of the following?

Minimal risk activity qualifying for Expedited Review → Please submit an [Expedited Review Checklist for Minimal Risk Activity](#) (053) along with this application.

Research Exempt from requirements for IRB review under the special conditions of Exemption category 1, 2, 3, 5, or 6 → Please submit an [Exempt Checklist](#) (048) along with this application. **Only Complete Sections 1, 7, 8, and 9 of this application.**

Note: For research under Exempt category 4, stop and use the [Application for Review Human Specimens or Data Research](#) (0326) application instead.

**Note: UW investigators should submit all minimal risk or Exempt research to UW's Human Subjects Division, unless single IRB requirements apply or as otherwise agreed to with the Fred Hutch IRO.*
